ABOUT THE ORGANISATION

Jan Vikas Samiti (JVS), established in 1996 and registered under the Societies Registration Act 1860, works for the integral development of marginalized and underprivileged sections of society-particularly women, children, SC/ST communities and persons with disabilities. JVS implements programs on Women Empowerment, Community Health, WASH, Livelihood Promotion and Skill Training for Youth, promoting education, employment and equal rights to help disadvantaged people, especially persons with disabilities, secure dignified livelihoods. Promoting women's livelihood through skilling is one of the organization's key priorities.

JOB ROLE / PURPOSE

To develop the tailoring and stitching skills, technical knowledge, machine operations, productivity, quality awareness and safe working practices of trainees through structured, hands-on training, so that trainees attain the competency required for self-employment or placement in the garment and apparel sector.

KEY RESPONSIBILITIES

Induction & Skill Development

- Conduct induction and orientation training for newly enrolled trainees.
- Train trainees on basic and advanced sewing machine operations and tailoring techniques.
- Develop trainee skills across different garment operations and stitching methods.
- Assess trainees and certify them before completion of the course.
- Train trainees on standard operating procedures and correct work methods.
- Demonstrate correct handling of sewing machines, tools and attachments.
- Improve trainee efficiency and reduce learning time.
- Train trainees on garment quality standards, defect identification and prevention.
- Promote Right First Time (RFT) practices and neat, finished workmanship.
- Conduct training on workplace safety, machine safety, ergonomics and proper tool usage.
- Assist centre manager in effectively completing the course.

DUCATIONAL QUALIFICATION & EXPERIENCE

- Diploma / ITI in Garment Technology, Fashion Technology, Apparel Manufacturing, Tailoring or equivalent; Graduate preferred.
- 2–5 years of experience in tailoring / garment work, with a minimum of 2 year in trainee training or skill development.

TECHNICAL & BEHAVIOURAL COMPETENCIES

- Sewing machine operations and garment construction techniques.
- Quality standards and defect analysis; basic operation breakdown awareness.
- Working knowledge of MS Word and Excel for training records and reports.
- Good communication and demonstration skills; coaching and mentoring ability.
- Patience and a people-development mindset; strong interpersonal skills.
- Ability to work with youth and women from marginalised communities.

WORKING CONDITIONS

- Skill training centre / classroom-workshop environment.
- Standing for extended periods while demonstrating operations.
- Occasional field coordination and travel to other training centres as required.
